

We are providing the following warning for products linked to this page:

**WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.**

## Tools

California requires the following notice:

WARNING: Some dust created by power sanding, sawing, grinding, drilling, and other construction activities contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Some examples of these chemicals are:

- lead from lead-based paints,
- crystalline silica from bricks and cement and other masonry products, and
- arsenic and chromium from chemically treated lumber.

Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks that are specially designed to filter out microscopic particles.

## Ceramic Tableware

California requires the following separate notice for ceramic tableware on the packaging:

WARNING: Use of this tableware will expose you to lead, a chemical known to the State of California to cause birth defects or other reproductive harm.

## Jewelry and Tiffany Style Lamps

California requires the following notice:

WARNING: This product contains lead, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. Wash hands after handling.

## Electrical Cords

California requires the following notice:

WARNING: The wires of this product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Wash hands after handling.
